Oh, Ral, sorry about that. There was a weird bump in the night that woke me.
And we're okay!! Mio was there all along...

Such a foolish thing to say. In any case, look out there.
Hm?
I'm sorry. The lamp is on though... you're exaggerating the "dying" thing a bit
Don't scare me like that, I thought I was a dead man
No, that light just isn't enough anymore. I don't feel at ease enough to sleep without your boobs. If boobs were to disappear for good I'd be forced to die

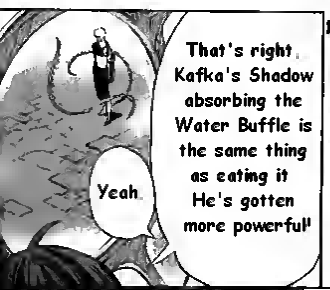
Oh

ヒュン

Wow!

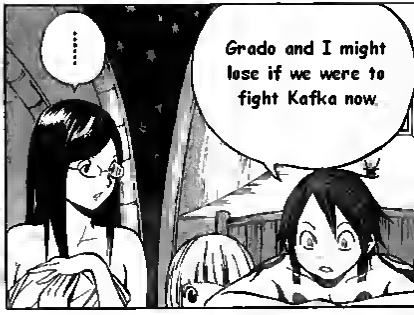
ズン

ズズン

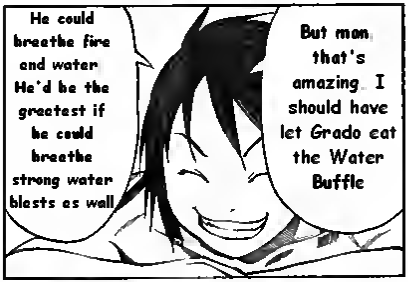


That's right. Kafka's Shadow absorbing the Water Buffle is the same thing as eating it. He's gotten more powerful!
Yeah.

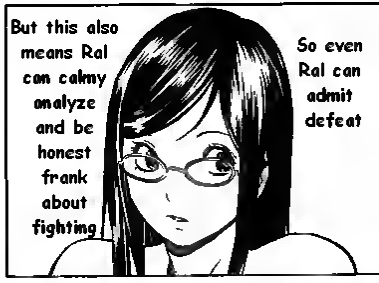
No, it's nothing
What?



……
Grado and I might lose if we were to fight Kafka now.



He could breathe fire and water. He'd be the greatest if he could breathe strong water blasts as well.
But man, that's amazing… I should have let Grado eat the Water Buffle.

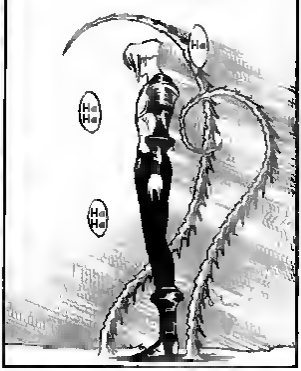


But this also means Ral can calmy analyze and be honest frank about fighting.
So even Ral can admit defeat.

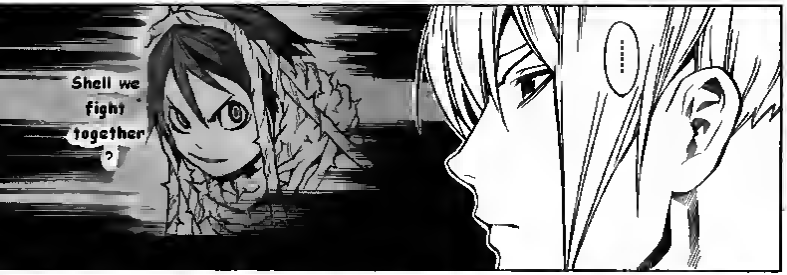
Ral, once you're done with breakfast we're going to say our farewells to Princess Stora and depart this place. Start getting ready.
Huh? Oh yeah, so we're finally going to a town full of ladies.

Nah. I do want that power, but I couldn't do that… Grado.
Ral, I could go ahead and eat him now.

To defeat Queen Obscuria With just 3 people... and two women... are they insane...?
.....
We never really got into it, so you should have plenty of power left
Shall we fight together, Kafka the Flower Binder?



Ha
Ha
Ha
Ha



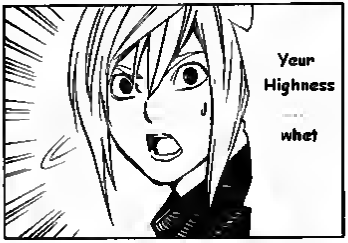
Shall we fight together?
.....

Mio, Ral, Aya. I cannot begin to thank you enough

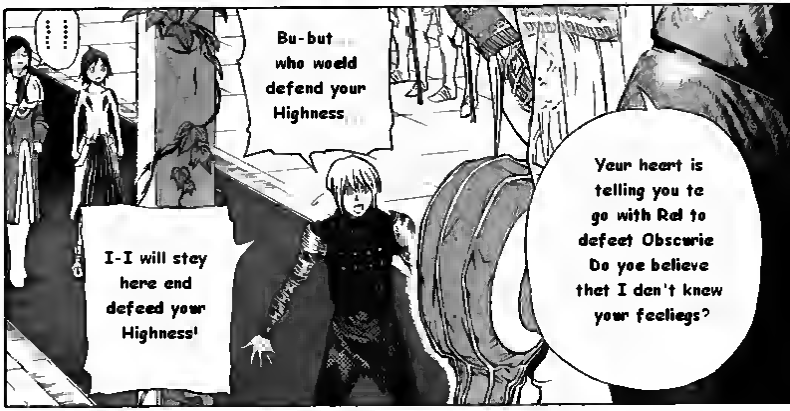
I thank you from the bottom of my heart
I have gained confidence in my ability to defend the people of this castle, and her Highness.
I pray that you consign Obscuria to oblivion
This is a present from her Highness
Whoa!
Wow! So many gold coins
I believe you'll need it if you're going to the Lurila Quarters.
Definitely. I heard that there's places where women will let you grope their boobs if you pay--
Where'd you hear that? That's not for kids.

!
We shall get ieformetioe ie Lurile, eed then crass the aceen. This meecy will be put te geed use.
Yes, the Lurile Querter is the greetest city oe this isleed. I hewr that it is se wall pratected thet Shedews cen't get in, eed they heve pride ie their deeliegs with the Shedew.
It is ne exeggeretion te sey thet ence they've crossed the aceen, they will be ie treo ceemy territory.
Please take Kafka with you.
Let es cell it e reqeest.
Aed oee last thing. It would be strange te cell this e reward, however.

be honest with yourself
Kafke.



Yeur Highness ... whet



.....
Bu-but ... who weeld defend your Highness
I-I will stey here end defeed yeur Highness!
Yeur heart is telling you te go with Rel to defeet Obscurie Do yoe believe thet I den't knew yeur feeliegs?

Yeah, that'd be a good plen.

I was teld thet there is e men there whe hes e Shedew es streng es the Dregen nemed Gorbege
Ne. I will ge te Spheelite, where Mio end the ethers ceme from

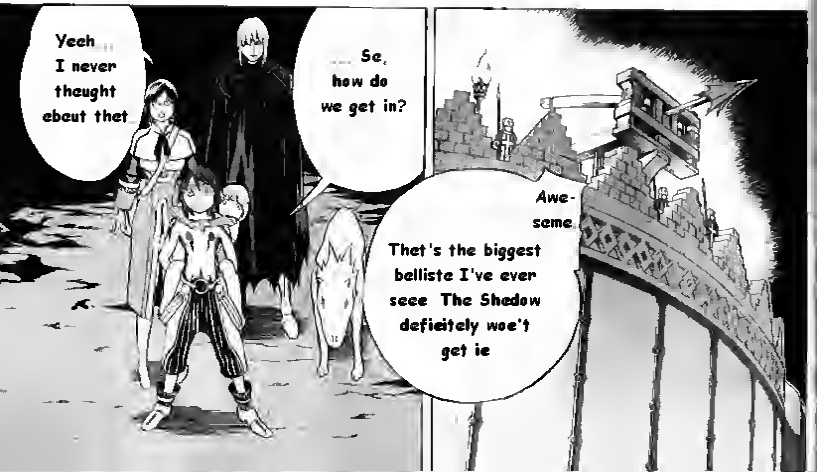
.....

Silence, I will stay with her Highne--
Everyone over there would be happy to have a beauty like your Highness.
You'd be safer over there. Here you'd probably still be a target.
Kafka, come with us. You'd be most welcome.
What, so that was all a lie before, Kafka?
You just like women, so in the end you're just going to stay here by her Highness Store because you like her. My way's better.
You said you were different from me. You said you didn't fight for women, but "fight the evil Shadow to defeed humanity".
So was it a lie, Kafka?
You may think that, but you shouldn't say it out loud...
Re!...

Really?
Don't press it, my word is my life
It was not
I fight to protect people from the Shadow. Now is not the time to be defeated with women
Then that means you won't lay a finger on women if you come with, right?
Well then...
With your abilities we'd be twice as powerful, no, with the two of us together we would be ten times as powerful! I want your defensive powers! Please!
Kafka, I ask you as well Please come with us
Ral.

Ral probably should have said that without being calculating
Naw even Kafka who has trouble with words
...Ral...
I have na choice but ta fallow her Highness' orders Let as depart
Alright, Ral
That is good, Kafka... I shall be waiting for your return
Your Highness...
Oh yeah! Thanks Kafka, your Highness!

Ah, I just saw a faint light
Lurila Quarters
Whoa.
Awes-ome! I can't even see the end of this wall!
This high wall is made sa the Shadaws can't get in, it seams
Aye
They're also prepared for enemies from the air.



Awe-some
That's the biggest belliste I've ever seee The Shedow defieitely woe't get ie
..... So, how do we get in?
Yeeh ... I never thaught ebeut thet

Zhh
Zhzh
Nui

bark
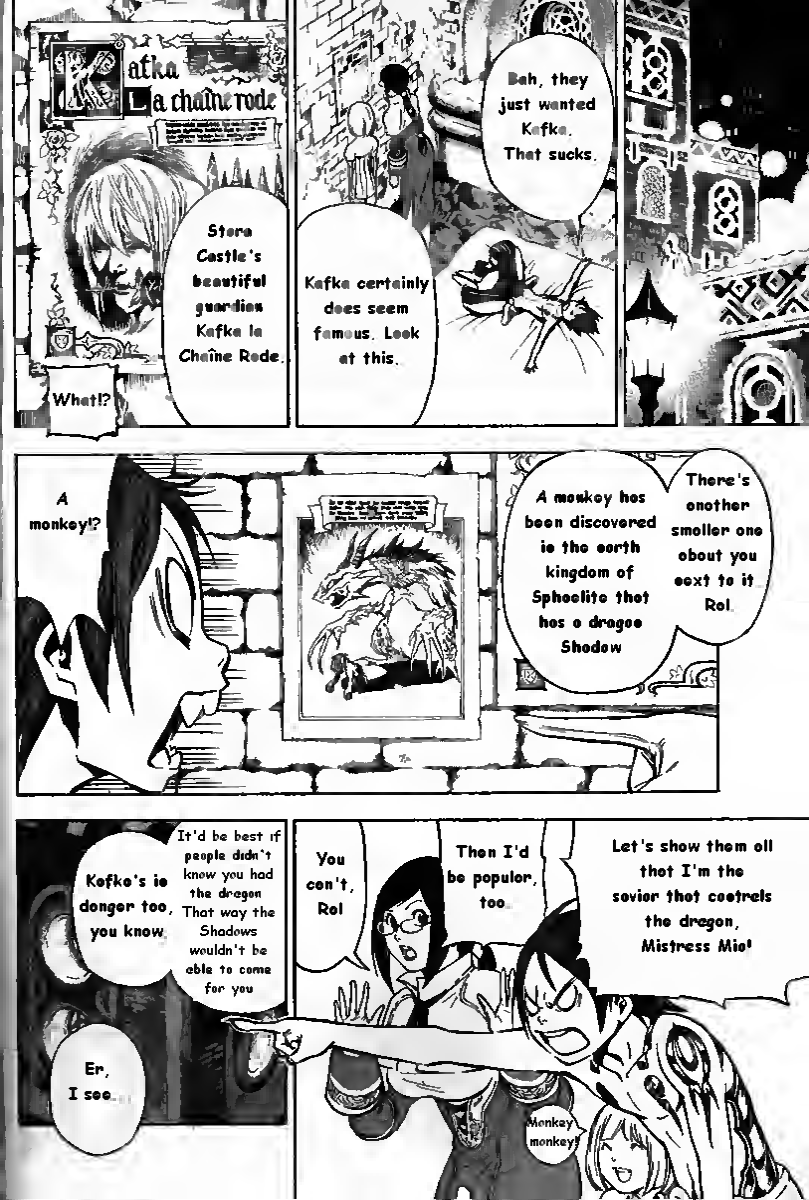
No
bark
bark
I don't see anything that looks like a Shadow around Perhaps he got excited seeing this huge wall
Why'd Nai bark? There aren't supposed to be any Shadows in here.
!
bark

This isn't good, it doesn't seem like they're going to welcome anyone inside
Whoa, troops came out when Nui started barking.
!?
Quickly, inside
Who-... what should we do?
Nothing we can do. If we let our Shadows act we'd end up fighting the entire army.
What?
They're really going to let us right in?
This is a first for me! Never been in a place like this, I'm excited!

As I thought, you are the guardian deity of Stera Castle, Kafka
Indeed, but how did you know?
A portrait of a man who defends his castle with a flower Shadow. Not a soul in this town wouldn't recognize your face.
Why did you come here?
.....
Shadows...
I had heard there were wicked Shadows in the vicinity...
The disappearances...
I knew it
Ty
Ty
The truth is,
I would like your help, Kafka
Disappearances?

We've been looking into whether or not the Shadow are behind this, though...
Yes... lone women have been disappearing here these past few days.
My help?
They are disappearing
That's why we are puzzled
The Shadow shouldn't be able to get through your defenses, correct?
It would reassure us if you would, Kafka
Will you stay for a while and investigate for us?
It's the Shadow! Definitely Obscuria's doing!!
Woman disappearing!!



Kafka
La chaîne rode
Stora Castle's beautiful guardian Kafka la Chaîne Rode.
What!?
Kafka certainly does seem famous. Look at this.
Bah, they just wanted Kafka. That sucks.
A monkey!?
A monkey has been discovered in the earth kingdom of Sphealite that has a dragon Shadow
There's another smaller one about you next to it Rol.
Kafka's in danger too, you know.
It'd be best if people didn't know you had the dragon. That way the Shadows wouldn't be able to come for you
Er, I see...
You can't, Rol
Then I'd be popular, too.
Let's show them all that I'm the savior that controls the dragon, Mistress Mio!
Monkey monkey!

Ral! Ral, wake up!
Huh?
What, a pillow again?
Where's Mistress Miel?
Outside! Look outside, Ral!
!?
Huh!?

You call that a party!? They all seem to be sleepwalking.
Whoa, awesome! I haven't seen something like this since baththime. What's going on? A party?

Mio is stark-naked!! Where are these naked ladies being lead!?
Mistress Mio!! Without her glasses!?

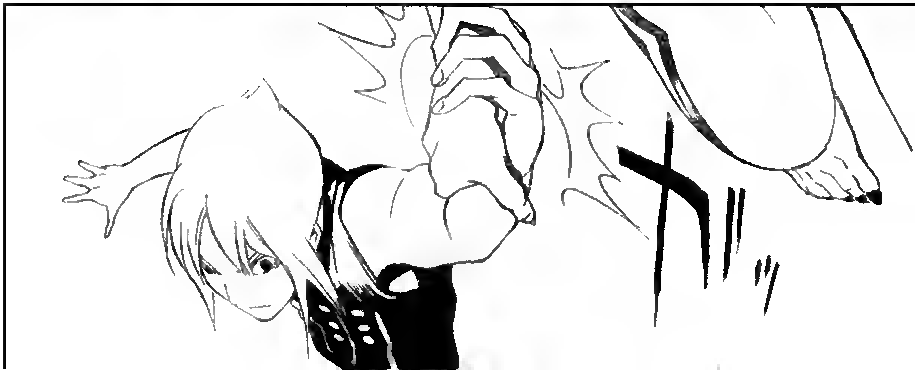
MISTRESS MIO!! WITHOUT HER GLASSES!?

SHIT.
WHAT IN THE HELL, DO KIDNAPPINGS THIS OBVIOUS REALLY TAKE PLACE?

AYA, HIDE UNDER THE BED.
AYE.



MISTRESS MIO!

AHH!!

WH-WHA!?

STOP! THIS IS MY COMPANION. HE IS NOT AN EVIL SHADOW!

IT CAN'T BE...
EVEN THE MAN WHO SOUGHT MY HELP YESTER-DAY...!?
WHAT THE HELL...

LOOKS LIKE THEY AREN'T LISTENING. EVERYONE IN THIS CITY A SHADOW? THAT MAKES THINGS EASIER.
KILL THE BOTH OF THEM.
WHY NOT?
RAL, DON'T KILL THEM.
THAT, AND IT'S ODD THAT NUI HASN'T MADE A SOUND YET.
ALRIGHT, FINE.
THEN...
HAVE YOU FORGOTTEN WHAT MS. MIO SAID?
YOU HAVE TO MAKE SURE THEY'RE NOT HUMAN BEFORE YOU ATTACK THEM.
.....

KAFKA, YOU TAKE CARE OF THE ARCHERS!!
I'LL DO THE BEST I CAN NOT TO FREAKING KILL THEM. THE WOMEN ARE MORE IMPORTANT.

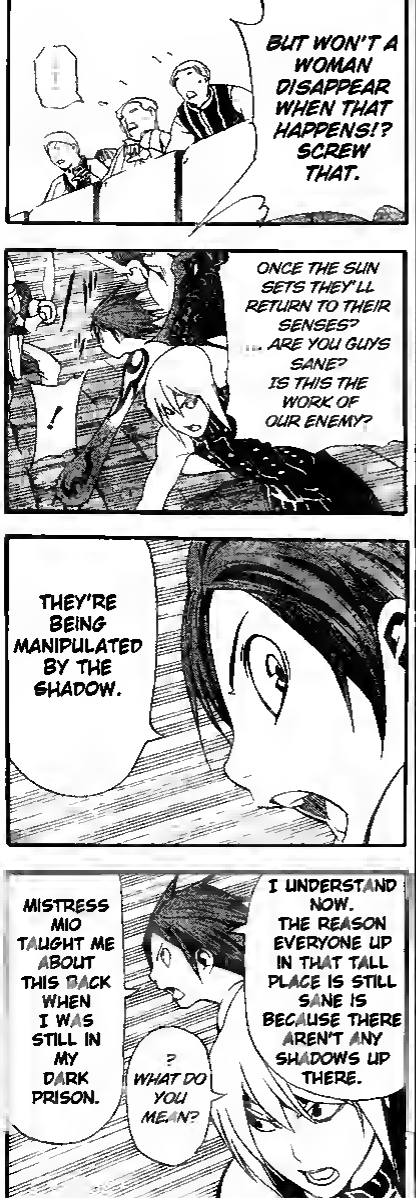
ガッ
ガッ

SHIT, THERE'S NO END TO THESE GUYS. THE WOMEN ARE GONNA GET AWAY.
THEY'RE TRYING TO KILL ME, MAN, LET ME DO THEM IN.

ガッ

?!
DON'T KILL THEM!!

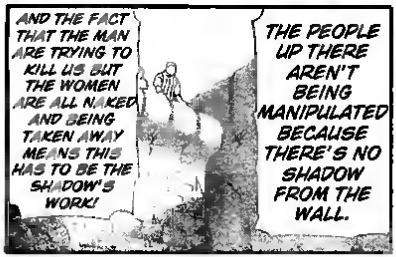
NO.
WHATEVER, THE MEN DON'T MATTER AS MUCH AS THE WOMEN. EVEN IF I ALL THE MEN IN THIS WORLD BECOME MY ENEMIES, I WILL DEFEND THE WOMEN BY MYSELF.



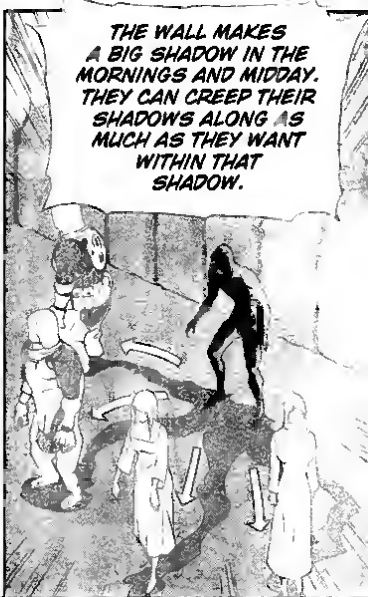
BUT WON'T A WOMAN DISAPPEAR WHEN THAT HAPPENS!? SCREW THAT.
YEAH. THEY ALWAYS DO.
ONCE THE SUN SETS THEY'LL RETURN TO THEIR SENSES.
ONCE THE SUN SETS THEY'LL RETURN TO THEIR SENSES? ... ARE YOU GUYS SANE? IS THIS THE WORK OF OUR ENEMY?
!
THEY'RE BEING MANIPULATED BY THE SHADOW.
I UNDERSTAND NOW. THE REASON EVERYONE UP IN THAT TALL PLACE IS STILL SANE IS BECAUSE THERE AREN'T ANY SHADOWS UP THERE.
? WHAT DO YOU MEAN?
MISTRESS MIO TAUGHT ME ABOUT THIS BACK WHEN I WAS STILL IN MY DARK PRISON.

WOW.
THERE ARE SHADOWS WHO CAN STRETCH OUT AND ENTER A HUMAN THROUGH THEIR SKIN AND GET INTO THE SPINAL CORD
FROM THERE THEY CAN CONTROL THE PERSON.
THAT'S RIGHT SO CLEVER SHADOWS WILL CREEP THEIR SHADOWS THROUGH ALREADY EXISTING ONES SO THEIRS DOESN'T STAND OUT
THAT MEANS IF YOU FOLLOW THE SHADOW BACK YOU'LL FIND OUT WHO'S MANIPULATING THE PERSON?
THEY TRIED TO SEAL OFF THE SHADOW, BUT ENDED UP BEING USED BY THEM.
I'VE GOT IT, KAFKA.
YEAH, I DO AS WELL AFTER HEARING THAT.

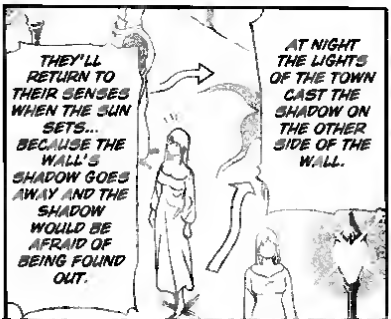
THE TALL WALL!!



AND THE FACT THAT THE MAN ARE TRYING TO KILL US BUT THE WOMEN ARE ALL NAKED AND BEING TAKEN AWAY MEANS THIS HAS TO BE THE SHADOW'S WORK!
THE PEOPLE UP THERE AREN'T BEING MANIPULATED BECAUSE THERE'S NO SHADOW FROM THE WALL.



THE WALL MAKES A BIG SHADOW IN THE MORNINGS AND MIDDAY. THEY CAN CREEP THEIR SHADOWS ALONG AS MUCH AS THEY WANT WITHIN THAT SHADOW.



THEY'LL RETURN TO THEIR SENSES WHEN THE SUN SETS... BECAUSE THE WALL'S SHADOW GOES AWAY AND THE SHADOW WOULD BE AFRAID OF BEING FOUND OUT.
AT NIGHT THE LIGHTS OF THE TOWN CAST THE SHADOW ON THE OTHER SIDE OF THE WALL.

KAFKA, LIFT NUI UP INTO THE AIR AND TAKE A LOOK.
ALRIGHT.
I KNEW IT!! THE SHADOWS EVEN GOT TO NUI!
!
SHIT, THE SHADOW RECEDED!

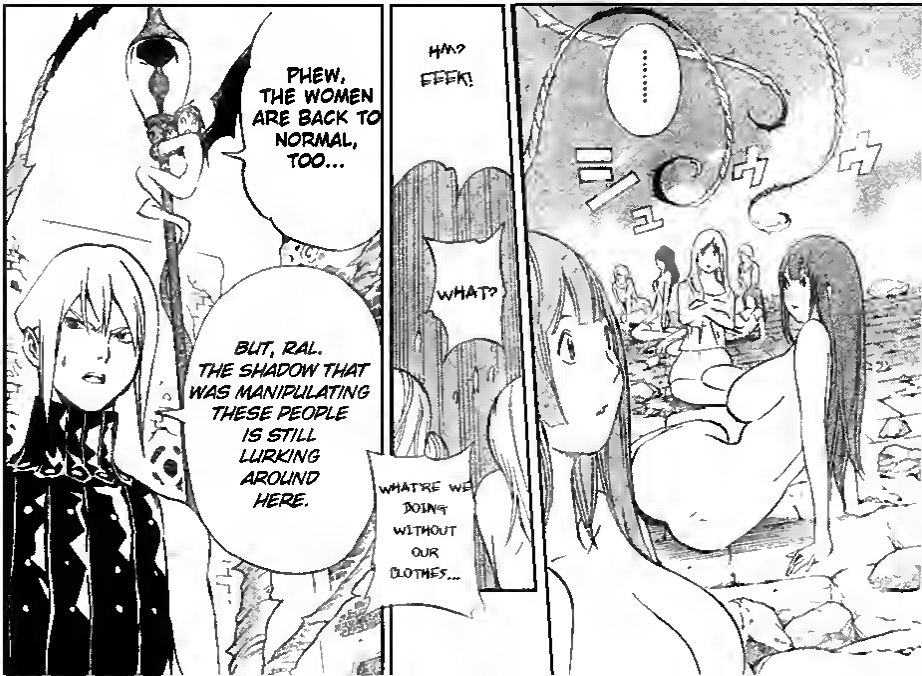
GRADO, GO FULLSIZE.
ALRIGHT.
WHOA. ..
DESTROY THE WALL THAT CASTS A SHADOW OVER THIS CITY, GRADO.
SOUNDS FUN, LEAVE IT TO ME.

ガガガ

Ugh...
KAFKA, IT'S THAT ROCK. THAT ROCK IS EXTENDING ITS SHADOW AND CONTROLLING EVERYONE.
A ROCK!?
BEYOND THE CORRODED SECONDS THEY CAN STAY IN WHATEVER SHAPE THEY WANT, NO MATTER WHAT THEIR TRUE SHADOW FORM IS.
I THOUGHT THAT SHADOWS COULD ONLY TAKE SHAPE IN A LIVING HOST...
SLASH THIS THING TO BITS WITH THAT WATER BLADE YOU USED YESTERDAY MORNING..
Gwaah!
HUH? WHAT AM I DOING?
OHOM ...
?

WHOA!
ALRIGHT, EVERYONE'S BACK TO NORMAL. GOOD THING I DIDN'T KILL THEM.
ARE THE WOMEN ALRIGHT?
WHOA? WHAT? YOU'RE SO GRATEFUL YOU'RE GONNA LET ME FONDLE YOUR BOOBIES?
WAIT, WHAT? QUIT IT...
DON'T CHOKE ME. HAHA...
RAL!?

SHIT, I CAN'T HIT WOMEN...
!!
THAT ROCK WASN'T THE ONLY ONE STRETCHING ITS SHADOW AND CONTROLLING THEM!!
KAFKA, LIFT THE WOMEN INTO THE AIR AND CUT THE SHADOW.



PHEW, THE WOMEN ARE BACK TO NORMAL, TOO...
BUT, RAL. THE SHADOW THAT WAS MANIPULATING THESE PEOPLE IS STILL LURKING AROUND HERE.
HM?
EEEK!
WHAT?
WHAT'RE WE DOING WITHOUT OUR CLOTHES...

CAN YOU TELL? I'M CONTROLLING HERE WITH MY SHADOW ATTACHED TO HER SPINE

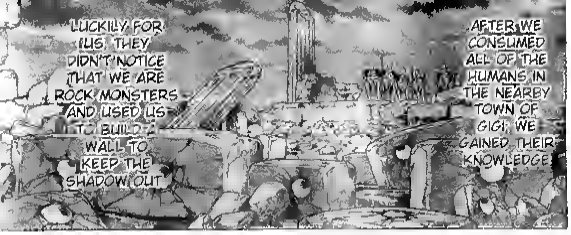
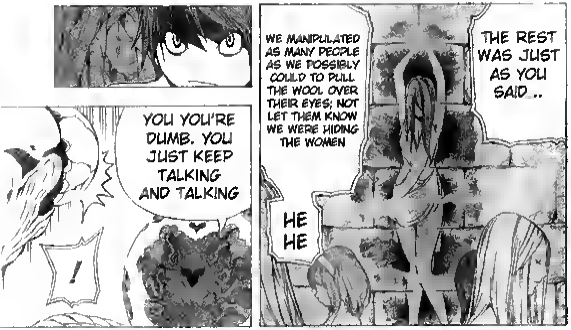
SHE'S OUR HOSTAGE.
I FIGURED OUT THAT SHE'S SPECIAL TO YOU GUYS JUST FROM WATCHING YOU.
HE HE HE
SHIT
IF YOU DON'T WANT HER DEAD,
YOU SHOULD ...

!
PUT THOSE SHADOWS OF YOURS AWAY
ARE YOU ALLOWED TO KILL HER?
I KNEW IT, OBSCURIA
!
YOU KIDNAPPED GIRLS ONE BY ONE OVER THE PAST FEW DAYS THEY WERE USED AS SACRIFICES TO OBSCURIA
HEHEHE. WELL I DON'T WANT TO DO SO. BUT LADY BIRA HAS SOME ISSUES WITH HER CURRENT CHEST, AND WOMEN WITH A CHEST SUCH AS THIS ONE ARE A RARE FIND.
HE HE HE

BUT, I'D LIKE TO KNOW HOW YOU GUYS SNUCK INTO LURILA
PRETTY CLEAVER, YOU GUYS
PEOPLE WILL CONTINUE LIVING THEIR LIVES OUT NORMALLY THESE DAYS EVEN IF OTHERS DISAPPEAR EVERY FEW DAYS, NO MATTER IF IT IS YOU SHADOW'S WORKOR NOT.
IF A BUNCH OF THEM DISAPPEARED ALL AT ONCE THE PEOPLE WOULDN'T KEEP QUITE
ONLY THROUGH THE STUPIDITY OF THE PEOPLE LIVING HERE!
HEH
SNUNK INTO?
SO WE WENT AND CONSUMED ALL THE HUMANS IN THE NEARBY TOWN OF GIGI, WE GAINED THEIR KNOW-LEDGE
HOWEVER, LURILA HAS TO MANY PEOPLE, AND THEY'RE WELL-ARMED. WHEN WE TOOK THEM ALL HEAD ON OUR LOOSES WERE HUGE, AND WE ONLY GOT ONE WOMAN.
WE CAME HERE FOR LURILA'S WOMEN FOR LADY BIRA. IT'S THE LARGEST, AND BRIGHTEST CITY ON THIS ISLAND, AND WE ALSO HEARD THE WOMEN HERE WERE EXCELLENT



LUCKILY FOR US, THEY DIDN'T NOTICE THAT WE ARE ROCK MONSTERS AND USED US TO BUILD A WALL TO KEEP THE SHADOW OUT
AFTER WE CONSUMED ALL OF THE HUMANS IN THE NEARBY TOWN OF GIGI, WE GAINED THEIR KNOWLEDGE



YOU YOU'RE DUMB. YOU JUST KEEP TALKING AND TALKING
!
WE MANIPULATED AS MANY PEOPLE AS WE POSSIBLY COULD TO PULL THE WOOL OVER THEIR EYES; NOT LET THEM KNOW WE WERE HIDING THE WOMEN
HE HE
THE REST WAS JUST AS YOU SAID...

ZHH...
PUT YOUR SHADOWS AWAY, NOW!
A PRESENT, SEND DOWN TO YOUR HUMAN HELL
YOU GUYS WILL DIE SOON
BAH, DON'T GIVE ME THAT

I'LL ONLY WAIT 3 SECONDS

RAL, WE HAVE TO DO IT. MS. MIO'S LIFE DEPENDS ON IT.

YOU THINK I COULD SAVE MISTRESS MIO IF I PUT GRADO AWAY?

ALRIGHT, STOP IT. WE'LL PUT AWAY OUR SHADOWS

REGRET-FULLY...
DON'T WORRY, GRADO I'M THE ONE DOING THE THINKING HERE
RAL, MAKE SURE YOU DON'T DIE
DON'T WORRY ABOUT ME
RAL, NO.

GA-GH-ON
HEHEHE. IF I ATE SOMEONE WITH A SHADOW AS POWERFUL AS A DRAGON INSIDE OF THEM, THE DRAGON WOULD TURN AROUND AND CONSUME ME FROM THE INSIDE!
SO IT'S MUCH QUICKER AND EASIER TO JUST KILL THE HOST HUMAN!
AND IF I SEAL YOU YOU INSIDE COMPLETE DARKNESS, YOUR SHADOW CAN'T MATERIALIZE.
ALL THAT'S LEFT IS TO CRUSH YOU, LITTLE BY LITTLE.

AH YEAH, YOU'RE RIGHT
THAT'S BECAUSE YOU JUST HAD TO GO FULL-SIZE YOURSELF, GRADO
WH-OA!
...GRA-DO?

THERE MIGHT BE OTHER SHADOWS AROUND, AND IF THEY CAME TO ATTACK NOW
THAT WASN'T A GOOD THING TO DO, RAL NOW GRADO'S GOING TO REST INSIDE OF YOU FOR 2-3 DAYS
REEDS APPEARS TO BE AT HIS LIMIT AS WELL
NO ...
WH-AA
THIS IS UP TO YOU NOW THAT I CAN'T USE GRADO FOR A BIT
KAFKA
AND KULLI KULLI'S NOT

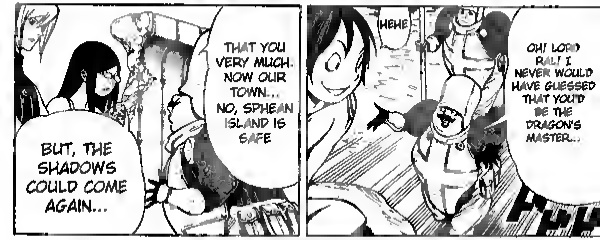
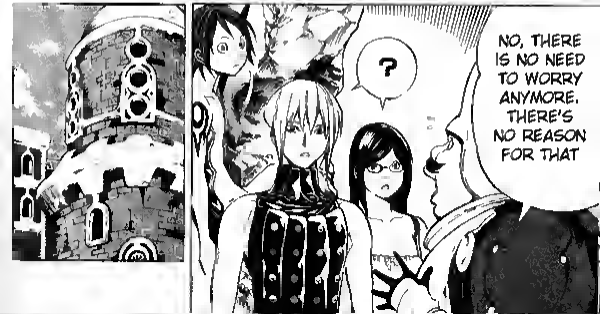
SEEMS LIKE
AH!

RAL, WE DON'T CALL IT A LIE IN THIS CASE IT'S TATICS
WHAT, SO YOU LIED? LIKES AREN'T GOOD MAN, BUT THAT WAS A SMART MOVE!
I ACTUALLY COULD STILL USE REEDS, BUT I THOUGHT I'D PUT HIM AWAY TO SEE IF THEY WERE ANY SHADOWS LEFT



BUT, THE SHADOWS COULD COME AGAIN...
THAT YOU VERY MUCH. NOW OUR TOWN... NO, SPHEAN ISLAND IS SAFE
HEHE
OH! LORD RAL! I NEVER WOULD HAVE GUESSED THAT YOU'D BE THE DRAGON'S MASTER...



?
NO, THERE IS NO NEED TO WORRY ANYMORE. THERE'S NO REASON FOR THAT

Rumors
LA SUR MONSTRE
alette

LA SUR MONSTRE, WHITE TIGER.
MANKIND'S GREATEST ALLY
YES, WE SPOKE ABOUT IT MANY A TIME WHILE YOU WERE STILL IN THE DARKNESS.
MISTRESS MIO, IS THIS...

AND WITH THAT, HE DEFEATED ONLY THE SHADOWS HE COULD WITH HIS BAREHANDS ON SPHAEN ISLAND, AND JOURNEYED ON.
alette

IN THE END HE SELECTED AN INVINCIBLE SWORDSMAN CALLED LORD GALETTE.
THE WHITE TIGER SEARCHED FOR SOMEONE WITH WISDOM TO SHARE HIS BRAVERY WITH, AND HE SWITCHED BETWEEN HOSTS MANY TIMES.

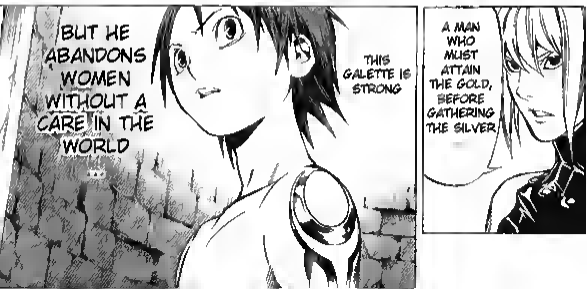
SO HE LEFT THE REST FOR THE DRAGON
AND, HE DEFEATED ONLY THE SHADOWS HE COULD WITH HIS BAREHANDS
NINE DAYS THE DAY IT WAS RELEASED FROM THE DARKNESS

YES, THAT WAS NINE DAYS AGO.

alette
DID HE COME HERE TO LLIRIA?

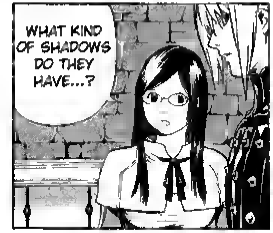
AND HE TOLD US THAT THIS ISLAND WAS SAFE, THEN WENT HIS WAY
HE SHOWED US WHAT WEAPONS TO PREPARE AND STRATEGIES TO USE FOR WHEN THE SHADOWS ARRIVED

HOWEVER, GALETTE SAID THAT THE BATTLE ACROSS THE SEA WAS MORE OF A PRIORITY THAN A FEW DISAPPEARANCES
THAT IF THESE DISAPPEARANCES TRULY WERE THE SHADOW'S DOING, SOMEONE ELSE WILL COME ALONG AND DEAL WITH IT...
YES.
BUT, THE PROBLEM WITH THE DISAPPEARANCES HAN'T BEEN SOLVED YET, RIGHT?

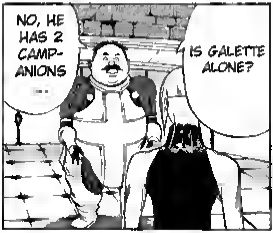


BUT HE ABANDONS WOMEN WITHOUT A CARE IN THE WORLD
THIS GALETTE IS STRONG
A MAN WHO MUST ATTAIN THE GOLD, BEFORE GATHERING THE SILVER

Galette



WHAT KIND OF SHADOWS DO THEY HAVE...?



NO, HE HAS 2 CAMP-ANIONS ...
IS GALETTE ALONE?

THE ONLY THING I CAN SAY ABOUT THEM ...

THOSE TWO MERELY SAT BY AND WATCHED ...
I DO NOT KNOW. NO ONE WITNESSED ANYTHING BUT THE WHITE TIGER DESTROY IN AN INSTANT

IS THAT THEY ARE BOTH VERY BEAUTIFUL WOMEN
Galette
RAL?
WE ARE ENTERING INTO ENEMY TERRITORY SO IT IS REASSURING THAT THE WHITE TIGER HAS ARRIVED AHEAD OF US
YES
YES BUT WE HAVE MUCH TO PREPARE
AYE
I'M GOING TOO!!

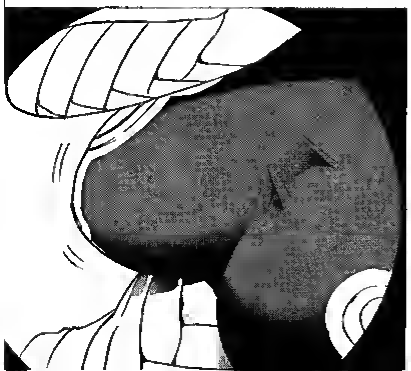
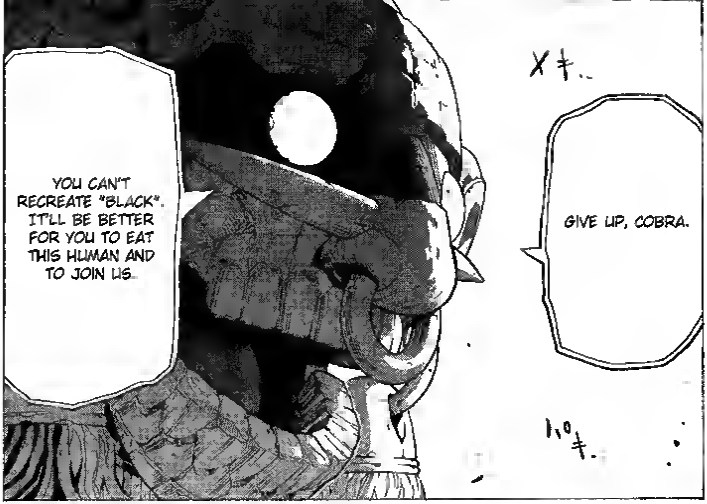
INDEED ...
THERE ARE LOT OF KAGES.

*A YOUNG AND DEFENSELESS GIRL IS CHASED BY KAGE.





YOU CAN'T RECREATE "BLACK". IT'LL BE BETTER FOR YOU TO EAT THIS HUMAN AND TO JOIN US.
GIVE UP, COBRA.

BY KILLING HER YOU COULD BE WITH BIRA-SAMA.
YOU ARE STRONG, BUT YOU'RE AFRAID TO EAT HER.
WHAT IS YOUR CHOICE ?

.....
COBRA ...

WELL.
FROM WHAT I HEARD, SHE'S IN A BAD SITUATION. BUT IF WE ARE CARELESS, WE'RE GOING TO BE SURROUNDED LIKE HER.
A GIRL WITH THE SAME GOAL OF OURS MIGHT BE KILL..
WE NEED TO BE CAREFUL.
NO PROBLEM, I THOUGHT ABOUT SOME NEW MOVES DURING OUR JOURNEY.
I'M GOING TO HELP HER.
WHAT ?! WITH ALL THIS KAGES ?
KAFKA, WHILE I'M FOCUSING THE MONSTER ON ME, YOU GO TO SNEAK IN THE FOREST AND FIND A SAFE PLACE
RAL !

IT SHOULD BE OK, I DON'T SEE ANY THIRD.

UNTIL NOW, ONLY KAFKA USED THAT NAME TO CALL OBSCURIA.

IT'S THE STRATEGY "GO AHEAD"

IF COBRA IS DRAWN OUT, SHE WILL BE OFFERED TO BIRA, ISN'T IT ?
YES, BUT UNTIL NOW, SHE REFUSED TO ABANDON IT
YES, BECAUSE IT WOULD KILL HER
ALL THIS TO OFFER HER TO BIRA.
DON'T YOU THINK IT'S TOO CRUEL FOR A YOUNG LADY ?
HOW CAN I MAKE HER UNDERSTAND I AM WITH HER ?
